

## Driving directions

**Traveling from the north:** out of the airport, turn right onto Hwy. 19. Take the first left turn at the signal from Hwy.19 onto Kai'imi'nani Drive. Proceed to the top of the hill. Turn right onto the Hawaii Belt Road, Hwy 190.

Drive approx. 3-4 miles until you reach the road sign that says, "Holualoa 5" Turn left.

This is Hwy 180 and it will be 5 miles before you reach the residential neighborhood just before *Holualoa Town*. You will see a sign, "Reduced Speed Ahead" and then 25 m.p.h." Followed by a green and white sign, "Kona Imin Center" with an arrow indicating a left turn. Turn left into the Imin Center driveway and you will be able to see immediately on your right before

starting up the driveway a one lane blacktop road that runs parallel to the hwy you just left. Turn right onto it and drive until you see the first two houses on your left. My easement runs between these two houses about 500 ft. to the foot of my property. You will know it is the correct turn because of my mailbox (white, blue ocean & green sea turtle) and because the easement is two concrete tracks separated by grass in the middle. At the foot of my driveway is a sign mounted on a stone pillar, "The Orchid Inn" with my address.

If you've come too far into the town you will see a grocery store on right, post office on left and several art galleries

You've gone too far.

**Traveling in from the south-** you need to get onto Hwy. 180. An easy way to do so is to turn uphill on Lako Street, which is well marked on Hwy 11. There is a signal light, a street sign & a Chevron gas station. Travel uphill to the end of Lako, turn rt. You will be on Hualalai Road where you will go until it dead ends into Hwy.180 (Mamalahoa Hwy.) There will be a sign on the left that says *Holualoa...* Turn left here and

travel 1.5 miles into the village of Holualoa. When you have the Post Office on your left & directly across the street is Paul's Place look straight ahead for the 25 mph sign. Drive toward this sign & pass it so that it is on the driver's side of the car. This will put you onto a single lane blacktop rd. without a street sign & you are still traveling north parallel the highway you just left. There is a speed bump in front of you painted white. 500 yds. or so along this road will be the sign for The Orchid Inn. Follow the directions above as to the correct road to turn on to. Please note that you cannot see "The Inn" from this point. It is neither of the two houses that you turn between. You will see it after traveling about 100 ft.
