### **Something About Your Hostess**

Moving here from southern California several years ago was a big step. I came here seeking a slower, more peaceful lifestyle. I've found it here at The Orchid Inn which I've remodeled into a charming, elegant Bed & Breakfast establishment which is licensed by the county and a member of The Hawaiian Island Bed and Breakfast Association. Here I am able to engage in my passion for gardening and entertaining.. The results are absolutely delightful and it is my pleasure to be able to share it with you. This is a place of beauty, far from the maddening crowd (yet close enough to join it should you choose).
